

PUPPENTHEATER ZWICKAU

The PUPPET THEATRE ZWICKAU is currently seeking someone for a permanent full-time position as an

Event Technician (m/f/d)

The Puppet Theatre Zwickau is a professional theatre for children, teenagers, and adults. With nearly 70 years of tradition, it is an integral part of the cultural offerings in Zwickau and its surroundings, enjoying high visitor numbers. Each season, we develop 4 to 5 new productions, which are artistically and aesthetically implemented using various staging forms. In addition to contemporary puppet theatre, we are known for taking innovative approaches and are venturing into new projects like 360° Virtual Puppetry. www.virtual-puppetry.de

For the 2024/25 season, the Puppet Theatre Zwickau is looking forward to participating in various national and international festivals, to which it has been invited with selected pieces.

For more information, please visit www.puppentheater-zwickau.de.

Responsibilities include, among others:

- Assisting with productions and events in the areas of sound and lighting technology, both in-house and at guest venues
- Operating and handling the sound, lighting, and video technology of the venue(s), and providing technical support during rehearsals
- Independently conducting necessary sound checks at the venue
- Setting up and dismantling mobile equipment as well as props and stage furnishings in the venue
- Maintaining and caring for the assigned equipment, as well as repairing sound and lighting equipment
- Collaborating, coordinating, and providing mutual support in the technical department
- Installing new equipment and carrying out minor repairs
- Securing events, including stage construction, seating arrangements, etc.

We are looking for a technician with:

- Experience as a sound mixer in performances (especially in the theatre and show sector)
- Driver's license Class B (BE, C1, C1E preferred)
- Ability to work independently and accurately
- Sociable, open, and communicative demeanor
- Resilience, flexibility, and teamwork skills
- Strong communication skills, problem-solving abilities, organizational talent
- Sufficient English language skills
- Enthusiasm for participating in artistic creation processes and the ability to think independently about their implementation

We offer:

- A small, familiar, and international team
- Mixed age structure
- Regular training and festival visits to gain new impressions are firmly planned
- Modern technology
- Collaboration with international directing teams

The working time averages 40 hours per week.
