

**PUPPENTHEATER
ZWICKAU**

The PUPPET THEATER ZWICKAU (Germany) is looking for a half-time job, beginning new season 2025/26

Puppeteer (male, female, divers)

The Puppet Theater Zwickau is a professional theater for children, adolescents and adults. With more than 70 years of tradition, it is an integral part of the cultural offer in Zwickau and the surrounding area and is pleased about the high number of visitors. Each season we develop 3 to 5 new productions, which are artistically and aesthetically realized with different forms of staging. Besides of contemporary puppet theatre, we also stand for innovative ways and venture into new projects, such as 360° VIRTUAL PUPPETRY. www.virtual-puppetry.de

Further information is available at www.puppentheater-zwickau.de.

We are looking for:

- a small, familial and international team with flat hierarchy
- an opportunity to shape with what's going on at the theater and its repertoire
- cooperation with internationally known stage directors and stage designers
- regular training and festival visits

We offer a passionate puppeteer with:

- an (almost) completed education or equal experience
- great joy of performing and creativity
- desire to shape the repertoire and work in the theater
- team spirit
- independence
- very good knowledge of the German language

The contract is based on the NV-Bühne contract. The average working time is 20 hours per week, but can be spread over the year in blocks.

We offer you a varied role with plenty of room for creativity and opportunities for professional development. If you are interested in filling this central position in our team, please apply by **May 30, 2025**, to:
